Dear Parents and Carers,

New classes are so settled and it feels like they have been in them all year. I am so excited to see what next year brings and feel our academic achievements will be going above and beyond.

Kindergarten

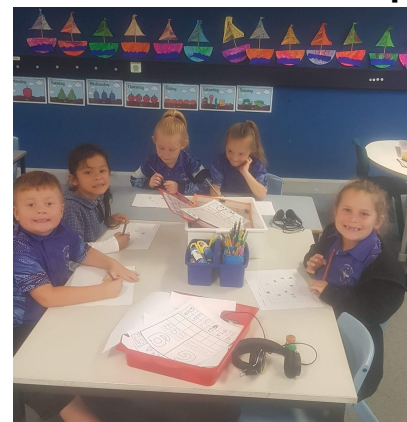

Kindergarten are half way through their transition program and are settling in beautifully. They play well together, work hard to complete tasks and are all learning to follow rules and routines around our school. Last week they started a robotics program with RoboLink and this week they had a visit from Sing and Grow. Next week Kindergarten will start at 9am with the rest of the school and we are looking forward to having them at school full time in 2021.

Stage 1

Our new Stage 1 students have been looking at what life was like in the past.

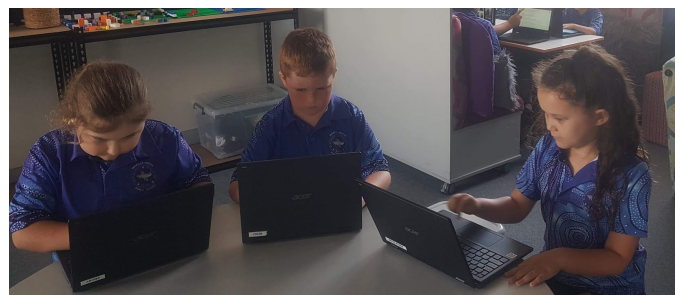

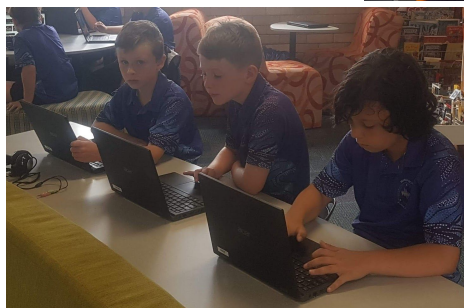

Stage 2 and Stage 3

Thank you to Mrs Bartlett, a parent from our school who generously made each individual student in Stage 3 their own cupcake with their school photo on it for our farewell dinner. Mrs Bartlett also made a beautiful cake for the staff at Warilla North. We cannot recommend her business enough. They were absolutely delicious and certainly made the students and staff smile. Thank you again for your contribution.

Stage 2 are learning about the history of Australia.
